Novel Plan Cuts Narberth's Garbage Complaints To New Low

So yor garbage hasn't been collected, lady?

Maybe there is a good reason—like broken glass in orange peelings, a poisonous washing solution or, perhaps, a playful dog that nips the heels of your garbage collector.

If you are a resident of Narberth Borough you won't have to wait long for the answer.

Robert Cameron, chairman of the Borough's water, light and health committee, has worked out a novel scheme for solving the garbage complaints problem. Now, instead of the Borough being swamped with garbage complaints, the tables have been turned, and the Narberth garbage collector, Charles Seal, is swamping residents with garbage complaints.

Seal has been supplied with official-looking forms on which he can express himself freely as to why a resident's garbage isn't prepared properly for collection.

One of Cameron's biggest headaches when he took the committee chairmanship was a flood of garbage complaints. Over a period of a year he made a study of these complaints to discover that many of them were unreasonable and the fault of residents instead of the garbage collector.

He talked it over with Seal who has the garbage contract for three years. They hit on this novel solution and within three months complaints dropped from as many as 10 a day to only a few a week.

"We are getting amazing results and amazing cooperation from the residents," Cameron said this week.

According to Seal's reports there were many residents who did not know garbage was fed to pigs and pigs turned up their snouts at broken glass.

Seal is also alert to detect the use of any poisonous solution to clean garbage containers. Last year the use of a poisonous solution killed a number of pigs in the garbage collector's pen.

Vicious dogs have been another bother to Seal. Where a dangerous dog is allowed to run at large Seal has advised his men to take no chances.

Seal reports that most of his complaints about the preparation of garbage for collection bring immediate results.

Cameron says it speeds up and adds to the efficiency of collection, cuts complaints down to a minimum and results in satisfied instead of disgruntled taxpayers.

Lower Merion Voters Meet Committeemen

Womens League Host To Citizens From Nineteen Districts

Voters of Lower Merion Township and Narberth learned at first hand what the two-party system was about, when they attended a Voters Party, Wednesday night, sponsored by the Lower Merion League of Voters, at Merion Tribute House.

The value of the two-party system and the prime function of the committeemen and women who keep it functioning smoothly were stressed by Charles R. Kimbell, Township Commissioner, who was the principal speaker. The audience then directed its questions to the committee people on the platform. They were Anthony Durante, Pencoyd, and Mrs. Ruth Griggs, Gladwynne, Democrats, and H. Orville Sebring, Jr., Villanova, and Mrs. Robert Wilkinson, Merion, Republicans.

Mrs. Thomas L. Kane, League president, explained the value of a non-partisan organization in the community. The aim of her group, she pointed out, is to educate the citizen. Membership in the League, however, is not considered a substitute for party responsibility. The League urges its members to be active in the party of their choice, after careful consideration of the issues involved.

Following the brief general meet-

Understand she had quite a busy day Wednesday...Besides giving her radio talk, she received a phone call from her son, Robert, Jr., who's in Seattle, Washington, waiting for his discharge from the Army... Then, of course there was the Voters Party...and lastly, Wednesday was her birthday.

Open House at Public School As Told by 7th Grade Girl

By PATSY ENANEM

The 1947 Open House Exhibit at Narberth Public School took place on May 15 and 16 and parents of pupils visited the school to see displays of work done by their children.

We first visit the kindergarten class of Miss D. Maier and Mrs. Winters, where children have painted pictures and have illustrated the story of Red Riding Hood. They have made models of an airport and a farm.

Next we come to the classroom of Miss K. Hart, the first grade teacher. In her room, a wigwam with some Indian weapons in the doorway catches our attention. Also a house with furniture made by the children catches our eye. On the wall are books about "Uncle Wiggley" and "Our Family."

In Mrs. F. Lewis' room, also a first grade, is a wigwam and a house such as those in Miss Hart's room. On the desks are individual folders of art work. On the walls are samples of writing, booklets made by the pupils, and on the blackboards are poems and stories. On a table are buttons made for Mother's Day and in the back of the room is a science table, with worms, ants, insects!

In Miss F. Bishop's room a small library draws ou attention. It has books, chairs and tables inside the low walls. Around the room we see art work, reading books and arithmetic workbooks.

In the second grade room of Miss

Community Ambulance Travelled 208 Miles To Answer April Calls

The Community Ambulance, operated by the Volunteer Medical Service Corps of Narberth, traveled 208 miles responding to calls in April. Thirty-six members of the Corps were active on these calls contributing 48 man-hours.

The statistics were disclosed at the monthly meeting of the Corps. The calls covered such routine tasks as moving a patient from hospital to home, from house to house, and also a few of extreme emergency.

It was voted at themonthly meeting to transfer funds from a savings bank to a national bank in preparation for the delivery of a new ambulance which has been on order for some time. The exact delivery date is still uncertain and, when the ambulance arrives, it is going to be necessary for the Corps to borrow some money from the bank in order to meet the terms of making a complete payment on delivery.

One way by which additional needed funds will be raised will be the Annual Dog Show to be conducted on the Narberth Playground by the Bryn Mawr Kennel Club on Saturday, June 21. The Kennel Club, a non-profit organization, gives all of the proceeds above expenses to the Medical Service Corps. The sum at the Dog Show last year amounted to $200, and in addition the Volunteer Corps earned $50 by serving lunches and conducting other activities in connection with the Dog Show.

Mrs. Charles A. Allen, of Fairview Rd., Penn Valley, was elected president of the Auxiliary of St. Luke's and Children's Medical Center, at the group's final meeting of the year Monday. Articles suitable for sale at the booths may be sent to the Church House, 202 S. 19th St., or to Episcopal Hospital, Front and Lehigh sts., Philadelphia. They should be marked for the May Fete.

DAR Women Attend Dedication Ceremonies

Members of D. A. R. Chapters from all parts of the country attended ceremonies at the Washington Memorial Chapel, Valley Forge, Sunday, when the President General, Mrs. Julius Y. Talmadge, of Georgia, dedicated the proposed $100,000 memorial bell tower that will house the National Carillion of Bells at Valley Forge.

Said to be the most perfect set in the world, the Carillion was completed Sunday with the presentation of bells from Oklahoma and South Dakota. Fifteen stars were also added to the national birthday bell.

The carillion now has 49 bells, one for each state, and a national birthday bell. The DAR raised the funds for the tower and for 38 of the bells.

VILLANOVA VARIETIES

A battery combination that rates as one of the best in college ranks is performing for Villanova this season.

Coach Phil Weinert's favorite battery lists Stanley Chojnacki, sophomore righthander from Camden, working with Frank O'Neill, husky catcher from Philadelphia. Both are war veterans.

George Coleman, Villanova pole vaulter who hit 13 feet to set a new college mark, is expected to better his record before the outdoor season ends.

CHILD SAFETY RULES

The Delaware County Safety Council and the Keystone Automobile Club are stressing certain rules for child safety on our loaded highways:

1. Play games away from traffic.
2. Walk across streets at the crossings.
3. Avoid dashing out into a street.
4. Operate your bicycle according to law—ride on right side of highway and obey all traffic regulations.
5. Stop and look before you cross a street.
6. Obey traffic signals and police signals.
7. Refuse to beg or steal rides.
8. Use roller skates in safe places.
9. Avoid hitching rides.
10. Look out for reckless drivers.

In connection with its safety campaign, the club announced that during 1946 40,000 persons were killed in the United States by traffic accidents, 1,600,000 were injured and 160,000 were permanently injured.

7 Fords Ready For Title Meet

Haverford High track and field athletes, who trailed Norristown and Lower Merion in the 21st annual PIAA District One championship last week, will send seven members to the State meet at Penn State College this Saturday.

The Fords, who compiled 21 points to 34 for Lower Merion and 52 for Norristown, scored only one first place in the district meet at Upper Darby. Bruce Stratton won the 440-yard dash in 51.6 seconds.

Bob Schlenzig, Haverford, was an upset victim in the half-mile, trailing Upper Darby's Bob Weaver after the latter had won the one-mile run in a record-equalling 4.33.7.

Other Haverford huskies who were eligible for the trip to State are Phil Donatelli, who tied L. M.'s John Walton for second in the pole vault, and Haverford's one-mile relay team, which trailed a speedy Chester quartet as it won in a record-breaking 3.28.3. Donatelli, however, lost a coin toss to Walton for the right to compete.

Guida Awarded Wildcats Cup

George Guida, Villanova track star, has won another honor this week. Classmates voted him the college's outstanding athlete and winner of the Jack Dempsey Trophy.

Holder of the AAU and IC4-A 600-yard titles, Guida won out over three campus athletes representing major sports squads. Dempsey made a surprise campus visit and presented the trophy.

Bill Sullivan, football captain; Joe Lord, basketball star, and Al Litwa, baseball outfielder, were nominated with Guida in the voting. He previously received an award as the outstanding serviceman who performed in the New York A. C. track meet last winter.

Although Villanova does not sponsor crew, a number of students have formed an informal squad. Charley Kain, an alumnus and star sculler, directs the crew.

Norm Kline, Villanova third baseman, is studying mechanical engineering, but admits he would try his hand at organized baseball upon graduation.

Bell carillons are usually heavy, and expensive. But a new chime carillon, weighing 600 pounds, sounds like the real thing when its music is amplified by loud speakers. It has 37 notes and is played on a piano-type keyboard. Its deepest note, produced by a tubular chime weighing about seven pounds, sounds as strong as that produced by a bell weighing about ten tons.

Raymond Chain, Jr., Takes Bride In Narberth Ceremony Saturday

Miss Nancy Marie Fitzpatrick, daughter of Mr. and Mrs. Thomas A. Fitzpatrick, of Wyndmoor, became the bride of Raymond B. Chain, Jr., son of Mr. and Mrs. Chain of 333Merion Ave., Narberth, in a pretty ceremony in the Church of the Seven Dolors, Wyndmoor, at 10 o'clock Saturday morning. The Rev. John E. Lorenz officiated.

The bride, who was given in marriage by her father, wore a nylon marquisette gown, made with a low round neckline, fitted bodice, long full sleeves, caught in at the wrists and a wide skirt which fell into a train. Her finger-tip illusion veil was held with a crown of orange blossoms, fashoned with mother of pearl, and she carried a bouquet of white daisies and bouvardia.

Miss Joan MacDermott, of Germantown, cousin of the bride, who served as maid of honor, wore an ice aqua gown of moire taffeta. The model featured a sweetheart neckline, cape sleeves and a bustle at the back of the skirt. Her crownless milan straw hat was trimmed with veiling to match her dress, and she carried a bouquet of yellow daisies.

Miss oan MacDermott, of Germantown, and the Misses Helenrita and Lois MacDermott, of Chestnut Hill, also cousins of the bride, were bridesmaids. Their gowns of yellow moire taffeta were made on lines similar to that of the maid of honor. They wore milan straw hats trimmed with yellow veiling and carried yellow daisies.

The mother of the bride wore an aqua crepe dress and a shell pink hat trimmed with flowers and veiling. Her corsage was of orchids. Mrs. Chain chose a dusty pink model with a white hat and a gardenia corsage.

Thomas Henshaw, of Narberth, acted as best man, and the ushers included Walter Chain, brother of the bridegroom; Thomas Fitzpatrick, brother of the bride, and Theodore Finn, of Narberth.

A reception at the Mayfair House followed the ceremony. After a wedding trip to Quebec, Canada, Mr. Chain and his bride will make their home at the Stenton Plaza Apartments, Mt. Airy.

CARE Recipients Thank Donors

Miss Gibbons Receives Letter From Grateful Parisian

Persons who send relief packages to Europe through the nonprofit organization, CARE (Cooperative for American Remittances to Europe) frequently receive letters of thanks from people they do not know.

Miss Martha Gibbons recently received the following letter, quoted here just as it was written:

6th May, 1947

Mistress Martha Gibbons
Madam,

I have received food-package order you sent me and I hasten to acknowledge receipt of it.

I thank you from the bottom of my heart and shall never forget your touching gesture in moment so difficult for me. Rarely on meet such goodness, particulary, as to an absolutely unknown person and from so remote farness.

It appears, you-Americans are really a good and high-moral nation.

I beg you once more to accept my gratitude

Yours very thankfully
Wi Novikoff,
31 Rue Duret, Paris

I beg your pardon if my letter has many mistakens but I learn myself the English language just now and without teacher.

Since March the CARE food package has been made up of staples and not of army surplus, as many still seem to think. The food, like the contents of the other CARE packages, is bought in this country and shipped in quantity to warehouses located in the 14 European countries in which CARE operates. In the ware-houses the packages are made up. When an order is placed in this country it is immediately communicated to the warehouse nearest to the address of the recipient and a package of the type purchased is sent to the distributing center nearest to the given address. The person is then notified that there is a CARE package for him and he goes or authorizes someone else to go, to the distributing center to get it. It is because of this system of distribution that the delivery of CARE packages are guaranteed.

NATIONAL LEGION HEAD ASKS AMERICANS TO STAND UP FOR AMERICA

Paul H. Griffith, of Uniontown, National Commander of the American Legion, called on Americans to stand up for America in a speech last Sunday at the Ardmore Junior High Scoohl.

The occasion was an observance of "I Am An American Day," sponsored by the 9th District of the Legion. More than 400 persons attended.

"Now is the time for us to abide by the traditions set down by our forefathers for a free country," he declared; "not the foreign ideologies that some people wish to set forth in this country. The American Legion, with its 3,500,000 members, believe in only one ism—Americanism."

Other speakers were Mrs. Bruce Denniston, president of the Pennsylvania Legion Auxiliary, who said that organization now has over 85,000 members, and Department Commander Clyde E. Rankin, who said Pennsylvania now leads the nation in its 1947 membership drive and that the membership is over 275,000.

To worry about tomorrow is to fail of debotion to the tasks of today, and so to spoil both days.—William Dewitt Hyde.

ANNUAL IN-GATHERING

One hundred leaders and members of Bala-Cynwyd's seven Girl Scout Troops gathered at Belmont Park on May 10 to take part in the annual in-gathering of the "Juliette Low bags." Named in honor of the founder of Girl Scouting, the bags contain birthday pennies and amounts raised by special events throughout the year.

Troop 395 led the procession into an appointed section of the Park, and a special service was conducted by Lynn Eger and Barbara Shank.

The American flag was carried by Sandra Sterling, and the Girl Scout flag by Mary Lou Tompkins. Paula Holmes and Pat Ramsay acted as color guard.

Mrs. Theodore Steiber, of Flat Rock Rd., Penn Valley, district chairman of the Juliette Low Fund committee, described some of the ways in which the money is used. She reminded the girls that in contributing, they were practicing their third Scout law: "To be a friend to all and a sister to every other Girl Scout." The committee plans to have a series of exchange trainers come to America and learn Scouting, which they can go back and teach in their own countries.

Mrs. Steiber received the individual troop contributions, which totalled $19.11. Mrs. Irvin A. Kunzman, neighborhood leader for Bala-Cynwyd, introduced the leaders.

The troops presented original skits, and there were songs and games, followed by refreshments.

Ardmore In Darkness As Auto Levels Pole

North Ardmore was plunged into darkness Tuesday night when a car driven by J. Permar Richards, Jr., of Bala-Cynwyd, struck a telegraph pole on Montgomery Avenue near Rosemont.

Electric charges from six high-tension wires carrying four thousand volts leaped into the air when Richards, swerving to avoid another car, smashed into the pole, knocking it across the road. He was treated at Bryn Mawr Hospital for lacerations of the knees.

A crew of repairmen from the Philadelphia Electric Company worked two hours resetting the pole and repairing wires. The area for ten square miles was without light during that time.

ARDMORE MERCHANTS STUDY POSSIBILITIES OF RADIO CAMPAIGN

The Ardmore Business Association this week launched a study of the possibilities of "selling" Ardmore to the public as a shopping center by means of radio broadcasts.

At their monthly meeting, held at the Main Line Bowling Center on Wednesday, they discussed the cost of radio time with Thomas Raehall, of Station WNAR, Norristown.

Pentz Pippin, chairman of the Association, appointed Charles Butera chairman of a committee to make a detailed investigation of the proposal.

The merchants postponed action on a decision for uniform store hours pending completion of a survey of all Ardmore stores by Michael Boucher, secretary of the Association.

Pippin disclosed that the American Flags which will line Lancaster Ave. on Memorial Day were purchased with contributions from merchants and businessmen along the pike.

RESTAURANT OWNER ASKS OFF-STREET PARKING

A request for permission to provide off-street parking facilities for several hundred customers of his French restaurant has been made by Albert H. Bien, of Overbrook-Hills-in-Merion.

Bien, whose contractors started enlarging the store at 917 Montgomery Ave., Penn Valley, several weeks ago, has filed a petition for a public hearing on the request May 21 before the Lower Merion Board of Commissioners.

He wants the four and a half acre property behind his restaurant rezoned from residential to commercial.

The former manufacturer of novelties has also applied to the State Liquor Control Board for a liquor license. This application is being fought by the Penn Valley Association.

MERITORIOUS AWARD FOR DR. P. K. BARKER

John Grey, chairman of the award committee, presented the award.

Did you know that Narberth's **Homewood Ave.**, which is only a block long, has a total of 39 children? There are 27 houses on the block and six of the families have no children. The Avenue's residents tell me it's quite something when the kids come home from school.

Century of Achievement

There is a glory in the land where men and women can free their energies for vast accomplishment—where neither the heavy hand of fear nor the dread hand of repression causes men or women to falter in their eager search for a better life.

That was the glory of America when Penn Mutual started business in 1847. It remains so today after a century of achievement that has dwarfed all previous human accomplishment.

Vital to high achievement and the enjoyment of life is personal and family security. Today, Penn Mutual helps supply that security to over five hundred thousand policy owners and their families with more than two and a quarter billion dollars' worth of life insurance. To date, it has paid more than one billion, six hundred million dollars to policy owners and their beneficiaries.

We who represent Penn Mutual are proud to offer you the services of a company with such a distinguished record of performance.

5000 Boy Scouts Camporee Bound

Drawn From Troop Units In Montgomery and Delaware Counties

If during this coming week-end the ghosts of George Washington and his valiant army of Revolutionary War heroes could return to Valley Forge it would warm their hearts to see encamped on that sacred ground another army—5000 strong—of Boy Scouts of America, out for their first Valley Forge Council Camporee since 1941.

This crop of young Americans is learning by early experience the lessons many a G. I. learned the hard way—how to take care of himself when he's on his own; how to get along with his fellow Scouts; how to cook over an open fire; how to stay clean in mind and body without all the comforts of home—how to have good, clean fun and learn something worthwhile while he's doing it!

These Scouts from 514 units of the Valley Forge Council will arrive from all over Delaware and Montgomery Counties during Friday afternoon and evening, all set to show their leaders and parents that they have learned their Scouting well.

Scouts will participate in four-legged and undressing relay races, just to mention two of the events on the program. They will be under the direct supervision of adult leadership at all times.

Camporee Chairman is Maj. Gen. W. A. March (retired). The service group for the entire Camporee to help handle traffic and so forth will be members of the Order of the Arrow of Delmont Lodge, under the direction of Lodge Chief Arthur Megraw.

Of the 5000 or more Boy Scouts of the Valley Forge Council expected to be on hand, approximately 600 will represent the Benjamin Franklin District, according to District Camporee Chairman W. R. Dawson, Bywood. The Benjamin Franklin District includes Bywood, Beverly Hills, Highland Park, Brookline, Llanerch, Oakmont, Merwood, Llanerch Hills, Manoa, Westgate Hills, Broomall, Newtown Square, Drexel Hill, Oakview, East Lansdowne, Lansdowne and Stonehurst Hills.

Each troop will be assigned to a definite area and will be given awards on camp layout, equipment, commissary, sanitation measures, organization and leadership, morale, discipline and attendance.

Plans are being made for radio-telephone communication and Chief of Police Ray Sakers, of Ridley Park, will furnish maps which will designate the area assigned to each district.

Assisting in Camporee plans for the Benjamin Franklin District are: Ralph McCord, James Keller, Mahlon R. Hagerty and Arthur Small, of Upper Darby; Emmett E. Minnich and Alfred Robinson, of Lansdowne; James Johnson, of Brookline; Jerry Iandola, of Westgate Hills, and Roy Dohner, of Drexel Hill.

Dr. Duncombe Chose As Ministerial Delegate

The Rev. Franklin Duncombe, pastor of the Bala-Cynwyd Methodist Church, as chairman of the Board of Missions of the Philadelphia Methodist Conference, recommended that half a million dollars be spent for new church properties within the next ten years. The Conference includes a six-county area of 315 churches in Southeastern Pennsylvania.

At the conference Dr. Duncombe was chosen as one of the four ministerial delegates to attend the Methodist conference in Boston next year.

Know Your State

For the past ten years the industrial growth of the United States has been marked by a trend toward decentralization. Many of our largest corporations have extended their operations over many communities and many states. This has become possible because of improved communications and the accessibility of electric power, but it has also proved desirable on many counts. It enables a company to locate an assembly plant close to consumer markets or a fabricting plant close to the scources of its raw material. There are other advantages. When a large percentage of the population of a community is dependent on a single industry for a livelihood very serious problems may be created both for the company and the community if the operations have at any time to be suspended because of the seasonal character of the product or a lack of current demand. It is also often a great advanage to a company to have some part of its processes located away from its main factory because of the specialized type of labor or the difference in wage scale in that unit of its operations. Small plants frequently have other advantages - they can be located in communities where land costs or rentals are low and where both tthe company and the workers can have the advanage of a lower overhead.

Pennsylvania's large cities are the center of its industrial life and their propserity is vital to the well-being of the State as a whole, but the Commonwealth is lucky in the fact that it is better prepared than any other state in our Nation to provide locations for industries which wish to diversify their operations by establishing branch plants in small communities. If that is to be the modern pattern, Pennsylvania is better equipped than other portion of our country to fit into this new industrial development. The Commonwealth has 578 communties with a population of 1,000 and over. In repect it leads its nearest rival by more than 150 such communities. It has more communities with a population of 1,000 to 2,500 than any other state, more witth a population of from 5,00 to 25,000. Althouvh there are two states which have more cities of 25,000 and upwards, Pennsylvania is the only one with two cities listed by the last census as among the ten largest in the nation. This remarkable distrubution of our people and the preponderance of small communities in our State's population picture provides a most fovorable pattern for the establishment of branch plants or small independent industries in places where the pressures of modern of modern life are at a minimum. This fact has already been recognized by the many companies whose branches have been established in Pennsylvania in the past ten years.

STATEMENT ISSUED ON A. & P. PRICE POLICY

A. & P. stores in this vicinity were backed by a company pledge and policy this week that prices would be lowered when suppliers' costs permit and economies in store operations are possible.

The company's statement read in part:

"While many food prices have already been lowered we must recognize that no substantial general reduction in retail food prices is possible until the cost of food to the retailer is reduced."

This was the concensus of retail merchants who attended a meeting called by the Main Line Chamber of Commerce recently to back up President Truman's appeal to lower prices and fight inflation. At the meeting merchants voted down the Newburyport proposal for a ten percent slash in prices.

TRACK CASUALTIES

Dan Redmond and Tom Short, members of Villanova's 1946 track squad, are not competing with Coach Jim Elliott's team this spring. Heavy class schedules in engineering allow them little time to practice.

St. Coleman Ties St. Lucy 7-7

Good Counsel and St. Thomas Also Win In Montdel Openers

A big last-inning rally that netted five runs to pull the game out of the fire enabled the St. Lucy nine, of West Manaunk, to earn a 7-7 tie with St. Colman's, of Ardmore, as the two Montdel League teams got in their first loop contest of the year Friday night at McMoran Field, West Manayunk.

The game was one of the highlights of a week in which three contests were played, two others were rained out and a third postponed. In the other games Good Counsel, of Bryn Mawr, came from behind to sink St. Thomas, of Villanova, 6-4, on the winners' field, Tuesday, and on Thursday at Villanova this same St. Thomas team nosed out St. Lawrence, of Highland Park, by a 2-1 score.

Mike O'Neill apparently had a 7-2 win safely tucked away going into the last frame of the game between St. Colmans and St. Lucy. The Ardmore hurler was given three runs in the first frame, and four more in the third. Junior Cofoni then came in to replace starting hurler Tony Paldino and pitched shutout ball the balance of the way.

His mates found the range on O'Neill in the final frame. A hit, an error and walk loaded the bases and Ralph Cook then slashed out a long single to score two runs. The bases were jammed again on another walk, then pinch-hitter Jack Pulkowski slammed a double to bring in all three runners to tie the count.

Renz Steppler and Joe Hogan hitched up in a hurling duel which wasn't decided until the final inning of the struggle between St. Thomas and St. Lawrence. Steppler gave us only three hits, but these were massed in the fifth frame for a run which wiped out a 1-0 Tommy lead gained in the third round.

Hogan walked Tim Falcone to start the sixth, but the catcher was out at second on a grounder by Darcy. Johnnie Hatch came through with a double to right, sending Darcy to third. Tom Kirsch broke up the ball game with a perfect squeeze-play bunt along the third base foul line to bring Darcy in with the winning tally.

Steppler struck out 10 batters in turning back the Highland Park squad. His mates could collect only five hits off Hogan, two of them going to Kirsch.

Ray Desert got off to a shaky start in his first game for Good Counsel at Bryn Mawr Tuesday, for the Tommies pounded him for three tallies in the opening frame. After that he settled down, halting the visitors with a single run for the balance of the fray.

His mates caught up with starting hurler Tom Patterson in the third round, when they shoved over three tallies on some weird Tommy defense plus Patterson's own wildness. Leo Griffiths came in to give up three more markers in the fourth which were enough to win the decision.

Both sides had five hits, with Kirsch being the only member of both teams to collect more than one. He had a pair of singles. A great catch by left fielder Joe DeFazio in the fourth was the defensive feature of the contest.

Water will not flow up hill and for that reason we must operate huge pumps to force your water through 1200 miles of water mains.

To maintain pressure at all points and at all times booster stations are provided at stand pipes and reservoirs to operate at periods of heavy demand for water. In this way we do provide all customers with sufficient pressure regardless of location.

Westgate Hills Softballers To Meet Reading

A big first inning, in which they scored four runs, enabled Westgate Hills All-Stars to score a decisive win over Coatesville, 6 to 0, at Westgate Hills.

Jack Walsh, the Hillers' left-hander, was on the mound for the localites and errorless fielding by his teammates helped him achieve his initial win of the season. Walsh pitched superbly, allowing but four hits, and the final decision was never in doubt. He recorded nine strikeouts and no visiting player advanced beyond second base.

Andy Stopper, All-American football star at Villanova College a few years ago; Carl Hobwood, fireball pitcher from Denver, and Billy Whitmoyer, Brooke Schlegel, Bob Cardinal, all of whom have seen many years' service in major softball competition, will play for the Reading team when it faces the Westgate Hills All-Stars, at Westgate Hills, Sunday, May 25, at 2 P. M.

Members of the Bi-State League and last year's winner of the Pennsylvania State playoffs, the Reading team will offer the fans of Haverford Township the brand of ball that has been promised them by the Gaters' manager, Al Winokur.

To date, the visitors are undefeated and the Hillers are confident of inflicting the first defeat upon them.

L. M. And Ford Nines Conclude

Lower Merion High baseballers, fresh from a 1-0 triumph over Haverford High, will meet Norristown on the Merion Park playground this Thursday in their concluding Suburban Section One contest.

Coach Gen Reeves' charges opposed Episcopal Academy, of the Interacademic League, yesterday in a postponed game and Penn Fresh will be met at the Quakers' River Field diamond next Wednesday, May 28, in the season's finale. Bob Walter will probably pitch against Norristown.

Al Kirk contributed the winning run against Haverford as L. M. scored its seventh victory in 11 league starts. Kirk and Sam Milliken, who had walked, engineered a double steal, with the former blazing home from third. Kirk gave up four hits while on the mound for Lower Merion and Hubert Smith yielded three for Haverford.

Last Thursday, L. M. dropped an 8-1 decision to the unbeaten Abington team after Haverford had previously bowed, 7-5. The Fords led the Ghosts going into the sixth, only to lose out.

L. Merion Tennis Star Wins PIAA District Title

Jim Whitmoyer, of Lower Merion High, won the PIAA District One singles tennis championship Saturday by scoring a 6-4, 6-2 triumph over Charles Emery, Pottstown, on the Norristown High courts.

Whitmoyer moved into the title round by beating Paul Winkles, Coatesville, while Emery upset Wally Leche, Upper Darby. Whitmoyer will compete in the State finals this week.

Four L. Merion Trackmen Will Vie At State

Lower Merion High's trackmen tuned up for this Saturday's PIAA State championship meet at State College by conquering Upper Darby 68½ to 48½, in a dual meet Monday at Upper Darby.

Coach John Marzucco's trackmen, who will send four representatives to the State meet as a result of last Saturday's District One championships, won nine of 14 events against Upper Darby. Sophomore members of the L. M. team predominated.

Among the Merionites who will compete at Penn State are Gene Zeiner, District One high jump champion last year, who won the pole vault Saturday with a leap of 11 feet 3 inches; Bob Hackman, second in the 120-yard high hurdles; Jack Walton, who placed behind Zeiner in the pole vault, and Chris Marshall, second in the shotput.

Zeiner, who sustained a broken wrist while competing for the gymnastic team a couple months ago, vaulted with a cast on his right wrist last Saturday. The previous week, he cleared 11 feet 6 inches to win the Suburban Class A championship at Norristown. Similar trouble also plagued Zeiner last year and he sprained his left wrist in midseason, forcing him out of the pole vault.

Among the sophomores winning for L. M. against Upper Darby Monday were: Charlie Carter, who won the 440 in 53.8 seconds; Jim Graham, 880 victor in 2.08, and Bill Press, who won the 200-yard low hurdles in 24.8 seconds. Graham, according to Coach Marzucco, is one of the most promising runners ever to appear at Lower Merion. A lanky 6-foot-1, he has twice been clocked in 2.05 for the half and was second in the Suburban championships.

Other L. M. victors were Hackman, who won the 120-yard high hurdles in 15.5 seconds; Chris Marshall, shotput; Al Petrillo, javelin; the versatile Zeiner, who won the high jump at 5 feet 10 inches; Jack Taylor, who tied an Upper Darby opponent for first in the pole vault; Warren Chew and Russ Little, juniors who shared broad jump honors by leaping 19 feet 1½ inches.

BROOKLINE TRIUMPHS OVER WESTGATE, 4-3

Fred Marschhausen's Brookline team triumphed over Westgate Hills, 4-3, as the Suburban Softball League opened. It was Brookline's fourth victory in five games, the Brooks having defeated Ardmore, Penfield Downs, Merion and Westgate while losing only to Penn Wynne.

Brookline plays its home games on Friday night at the Haverford High field on Mill Rd. Other league games are played Tuesday evenings.

10 BOUTS AT MET

Ten star-studded amateur bouts are scheduled for The Met, Broad and Poplar Sts., next Monday, May 26, when champions and challengers from 11 athletic clubs meet in a boxing benefit for the Council for Equal Job Opportunity. The benefit has attracted Golden and Silver Glove champions from the 112-pound to the 160-pound class.

Ardmore Nine, Manoa Beaten By Drexel Hill

By HARRY ELLSWORTH

Drexel Hill, an unknown quantity before the season opened, proved that it will be a serious contender for the Main Line League baseball championship by routing Manoa and Ardmore in this week-end's openers.

Narberth, the defending champion, was only a step behind the Hillers, pounding out an 11-3 win over Ardmore on Saturday. Sunday's contest with Gladwyne was postponed because of rain.

In rising to the top of the Eastern Division, Drexel Hill clubbed two Manoa pitchers for 15 hits on Saturday as it whipped Frank Matthews' crew, 8-3. Lefthander Jack Creany allowed only seven hits, while Jack Hagan and Jack Williams were collecting four hits each.

On Sunday, in a game limited to seven innings by the rain, Joe Irvin's laddies blasted out 11 bingles in downing Ardmore, 9-6. Jack Williams again paced the attack with a double and two triples as Cliff Williamson and Frank Presutti, a West Manayunk castoff, scattered 11 Ardmore hits.

George Davidson's four-hit pitching performance against the Lions on Saturday was backed by a solid 13-hit attack on the part of his Narberth teammates. Allie Shuckman, the league's 1946 batting champion, smacked Clem Bevan, Dick Sweeney and Joe Swanda for four hits.

Collegeville's Superiors bested West Chester, 2-1, in a Saturday pitching duel between the Sups' Joe Robinson and West Chester's Ev Gill. On Sunday, Berwyn rallied in the eighth inning to clip Wayne, 7-5, and thus share the Western Division lead with Collegeville. Villanova collegian Joe Brehmer belted a two-run double to ice the contest for Berwyn.

In other week-end openers, West Manayunk scored a run in the 10th inning to nip Gladwyne, 10-9, and share second place in the Eastern Division with Narberth. Frank Petrellis, pitching in relief of Harry Blair, was credited with the win. Bill Kulsh's fielders' choice scored Lou Pizzera with the winning run.

Wayne spoiled Norristown's debut by walloping the County Seat nine, 10-1. The Italian-Americans scored five runs in the first inning and then coasted behind the seven-hit flinging of Harry Dessert.

West Chester scored a 6-3 win over Norristown Sunday, as Joe Barber, West Chester first baseman, contributed three hits to the 14-hit attack on two Norristown pitchers.

Another week-end of horsehide fireworks is anticipated for the second week of Main Line play. Drexel Hill and Narberth, the two Eastern leaders, collide at Narberth on Saturday afternoon. Jack Creany will probably pitch for the Hillers, with George Davidson on the mound for the Boroughites.

West Manayunk will be at Ardmore to meet the Lions, as Al Mueller and Eddie Hare try to rally their charges from last week-end's double setback. Manoa, chested out of an easy 16-0 win over West Manayunk by the rain on Sunday, will cross bats with an improved Gladwyne nine at Gladwyne.

Also on Saturday, Norristown takes on unbeaten Collegeville on the Superior Tube Field and Berwyn travels to West Chester to meet Chet Zercher's diamondeers.

The Sunday listings include a visit by Narberth to West Manayunk. The Yunkers will probably toss Joe Zak at the champions. Zak flipped a three-hitter against Narberth last year. Gladwyne plays Drexel Hill at City Line and Burmont Rd. and Ardmore meets Manoa at Veterans' Field in Manoa. Completing Sunday play, Berwyn journeys to Norristown and Wayne visits Collegeville.

MAIN LINE BANTER

Jack Jeffries, Jr., made his debut as Narberth's shortstop on Saturday at Ardmore. Jeffries, whose father played for the Borough team many years ago, chipped in with two hits and fielded four chances without an error.

Gladwyne presented a team clad in a variety of uniforms when it played West Manayunk on Saturday. The new flannels that Manager Johnny Baltz had ordered did not arrive in time for the game.

Jack Williams is starting where he left off last year. The slim Drexel Hill first sacker drilled out seven hits for a week-end's work.

MANOA LEGION NINE SEEKS BALL PLAYERS

All boys residing in Haverford Township who would like to play on the Manoa American Legion Post No. 667 baseball team, are requested to report to the Haverford High field this Saturday at 1.30 P. M.

Workouts also will be held for prospective players next Monday night at 6.30. All township boys whose 16th and 17th birthdays occur during 1947 are eligible. All positions are open.

L. M. POLICE TRYOUT BULLET-PROOF VESTS TO PLEASE A FRIEND

If you see a couple of Lower Merion patrolmen sagging in their stride don't shoot. It won't do any good.

For they're heavily weighted down with bullet-proof steel jackets they are trying out to please a friend.

The friend, a Rosemont manufacturer who prefers to keep the donor's name anonymous, presented the Township's police department with a dozen of the jackets.

Made in two parts, something like a baseball catcher's guard, the mail jacket is said to be the latest thing in protection for police against bullets.

Each patrol car is now equipped with a double set of the bullet-proof vests.
